General comments/ Comentarios generales:	Introductions Discussion on NAPPO projects and their length	
Item 1/ Asunto 1:	<ul style="list-style-type: none"> <li>• Timelines for the tasks on the work plan – might need adjustments. Go through document and look at specific areas regarding information needs and time resources</li> <li>• Review and analysis of information               <ul style="list-style-type: none"> <li>○ PPQ S&amp;T developing validation model for AGM – data from NOAA and superimposing lab. studies –might be ready by late 2016 – early 2017 – useful to our EG</li> <li>○ Brendon will inquire concerning inputs into the S&amp;T model – we may be able to use same inputs to review the validation product for NAPPO</li> </ul> </li> <li>• Brendon – has data from Korea, Japan and Russia now; will not get anymore data until mid-2017</li> </ul>	
Consensus/Decisiones:	<ul style="list-style-type: none"> <li>• Information – all agree that can/will be done by 1st week of Oct. 2016</li> <li>• Review and analysis by Jan., 2017</li> <li>• Final draft document by April, 2017</li> <li>• Final report by August 2017</li> <li>• Might need additional flexibility depending on availability of latest information</li> <li>• Follow-up actions might bleed into 2018</li> </ul>	
Item 2/ Asunto 2:	<ul style="list-style-type: none"> <li>• Information sources – in relatively good shape               <ul style="list-style-type: none"> <li>○ Canadian PRA in Google Docs</li> <li>○ Brendon will add the one for the USA</li> <li>○ Diana has added the NAPPO PRA</li> </ul> </li> </ul>	

	<ul style="list-style-type: none"> <li>○ Trapping data uploaded by Brendon by Dec.</li> <li>○ Draft options paper and presentation by B. Wang uploaded presentation has been translated but report has not</li> <li>● Port conditions and weather data: NOAA – global weather data for free – lots of data for one year – might need to work with analysts in each of our NPPOs will have to determine what smaller data sets are appropriate</li> <li>● If other information is available – we can add <ul style="list-style-type: none"> <li>○ Health and safety announcements– not much has been done in terms of collecting these – we can look into this when U.S. and Canada visit the regulated countries in fall 2016</li> </ul> </li> <li>● Questions/comments? Or things to add to work plan or information sources – all encouraged to add materials as you see fit</li> </ul>	
Consensus/Decisiones:	<ul style="list-style-type: none"> <li>● Add the link to the NOAA website in Table 2.</li> <li>● Comment on health and safety MX – found information from Japan – do they share links in a word document?</li> <li>● Best to share in a word document so others can add other links and information</li> </ul>	
Other subjects/Otros asuntos	<ul style="list-style-type: none"> <li>● Format for document – what is envisioned as sections?</li> <li>● Wendy will look at other NAPPO S&amp;T documents and propose some sections in draft outline document on Google Drive</li> <li>● Review that list at next meeting – sections will require input from all</li> </ul>	
Other subjects/Otros asuntos	<ul style="list-style-type: none"> <li>● Annual meeting attendance? PPQ still waiting, Mexico as well. Wendy attending; Diana not</li> <li>● Perhaps face-to-face/phone meeting in Montreal – Wendy to follow-up</li> </ul>	
Consensus/Decisiones:	<ul style="list-style-type: none"> <li>● Discuss the AGM EG Annual Meeting Report presentation at next call</li> </ul>
