Summary		
Project:	Revision of RSPM 35 (<i>Guidelines for the movement of Stone and Pome Fruit Trees and Grapevines into a NAPPO Member Country</i>)	
General comments:	The chairperson and NAPPO TD welcomed and thanked the EG members for joining the call. Agenda approved as presented. TD agreed to take notes and prepare the conference call report.	
Item 1:	Document revision and next steps.	
Consensus:	The EG completed the revision of the document. The ED and TD outlined the next steps to prepare the document and send it for country consultation as follows: <ul style="list-style-type: none">• The revised document will be formatted and prepared for editorial review.• Edits suggested during the editorial review will be accepted or rejected by the Chairperson or the EG if a call with the EG is needed.• The edited document will be formatted for country consultation.• The final version for country consultation should be ready two weeks before the May 1st deadline when all documents will be available for country consultation in the NAPPO website.• Final version of the document including the revised pest tables should be ready by May 1st.• Country consultation period for this document is 90 days.	

	<ul style="list-style-type: none"> • Following completion of the country consultation period, the AMC will compile all comments from all three NAPPO member countries, send it to the Secretariat for translation. • Comments will be shared with the EG and a conference call will be scheduled to address all comments and prepare the final revised version ready for approval by the NAPPO EC.
