Summary		
Project:	Revision of RSPM 38 <i>Importation of certain wooden and bamboo commodities into a NAPPO member country</i>	
General comments:	The TD thanked EG members for joining the call, Stephanie Bloem for the interpretation and Scott Myers for taking notes in track change mode in the document. NAPPO TD will write the report.	
Item 1:	Document revision	
Consensus:	EG members worked on the document revision from section 2.2 (<i>Certification</i>) until the end of the document. Comments provided by EG members were addressed. Additionally, comments from previous sections that were not resolved in previous discussions were also addressed. Comments that were added and unresolved issues (Section 2.1) will be discussed in the next videoconference with the expert group. The chairperson will send an email to the Secretariat summarizing the points that will need further discussion during the next conference call. The Secretariat will share that information with the EG.	
Item 2:	Interception data	
Consensus:	The TD indicated that the interception data will be summarized and shared with the EG for discussions in the next call.	
Next Steps		
Responsible Person	Action	Date
John Tyrone Jones II	Email points that need further discussion during the next call including those in section 2.1
