NAPPO Conference Call/Meeting Report

| | | |
|------------------------------|--|-------------------------------|
| Expert Group: | Likelihood of Establishment | |
| Location: | Via conference call and webinar | |
| Date: | Sept. 22, 2016 | |
| Chairperson | Nancy Villegas, SENASICA | |
| Participants: | | |
| Christina Devorshak, PPQ | Rob Favrin, CFIA | Yilmaz Balci, PPQ |
| Alonso Suazo, NAPPO | Stephanie Bloem, NAPPO | Nedelka Marin-Martinez, NAPPO |
| Alejandra Elizalde, industry | | |
| Summary | | |
| Project: | Likelihood of Establishment – explanatory document to improve understanding on how to interpret evidence for likelihood of establishment in a Pest Risk Analysis | |
| General comments: | <ul style="list-style-type: none"> • Nancy thanked Rob for providing the document with examples • Nancy indicated that a draft PowerPoint for the Annual Meeting was prepared by her • Secretariat indicated that translated draft of the above-named PowerPoint was available in the Google Drive | |
| Item 1: | <ul style="list-style-type: none"> • Nancy wondered who from the EG would be attending the Annual Meeting | |
| Consensus: | <ul style="list-style-type: none"> • Rob and Christina will be attending • Rob agreed to make the presentation on behalf of the EG | |
| Item 2: | <ul style="list-style-type: none"> • Several discussions concerning how to move forward with the document and whether to add other sections highlighting issues to be considered when assessing likelihood of establishment | |
| Consensus: | <ul style="list-style-type: none"> • Several of the members favored closely following the breakdown of things to consider as presented in ISPM 11 • Several members suggested that other examples be made available by the EG members | |
| Item 3: | <ul style="list-style-type: none"> • Example on pests that move using wind currents – need to add such examples • Secretariat volunteered to take the lead in preparing a “blended” document <ul style="list-style-type: none"> ○ making use of the discussion document prepared by the EG | |

| | |
|-----------------|---|
| | <ul style="list-style-type: none"> ○ adding examples from the document provided by Rob ○ adding some of the examples from the PowerPoint developed by Christina |
| Consensus: | <ul style="list-style-type: none"> • agreement to add such examples • there was agreement in this suggested approach on the blended document |
| Other subjects: | <ul style="list-style-type: none"> • PowerPoint presentation needs some input and edits from the group |
| Consensus: | <ul style="list-style-type: none"> • EG agreed to provide input to the PowerPoint |

Next Steps

| Responsible Person | Action | Date |
|--------------------|---|----------------------------------|
| Secretariat | Will send Doodle poll to determine the time and date for the next conference call | ASAP |
| All | Will review blended document and provide suggestions for improvement | During end of Sept. – early Oct. |
| All | Will provide input to PowerPoint | During end of Sept. – early Oct. |

Next Meeting

| | |
|-----------|------------------|
| Location: | To be determined |
| Date: | To be determined |

Proposed Agenda Items

1. Review blended document and agree on proposed edits
2. Finalize Annual Meeting presentation
