Summary		
Project:	Continue preparations for a hemispheric workshop in Costa Rica from August 29-September 3, 2016 on ISPM 15 implementation, following the recommendation that came out of the NAPPO – APPPC workshop.	
Consensus:	<p>On latest draft of the workshop agenda:</p> <ul style="list-style-type: none"> • EG went over latest version of workshop agenda. • APHIS proposed for its PPQ S&T expert, Dr. Hannah Nadel to provide a 10 minute presentation on Day 1 of the workshop on an APHIS/PPQ study on ISPM 15 Material: study of pest interceptions and the species of wood in which they are found. EG supported this. Presentation has now been formally added to the agenda on Day 1. Refer to latest agenda version. • On point in Agenda, Day 1, August 29- Regional reports on: Country experiences in implementing ISPM 15 developing and developed countries; for the NAPPO Region Report, Mexico/SENASICA and Canada/CFIA EG colleagues to send information based on template on google drive for this section to Tyrone/USDA APHIS (Tyrone will include this for the NAPPO Region presentation). • On agenda: Need to assign tasks for Rapporteurs; identify who will be Rapporteur for various sessions (Rebecca/ 	

	NAPPO Secretariat to work with Chair of EG). EG folks attending workshop flexible on being Rapporteur.
	<p>On presentations noted on agenda:</p> <ul style="list-style-type: none"> • NAPPO Secretariat (Rebecca) will send letter to presenters noting deadline for presentations. • Regional reports- pending from COSAVE, OIRSA and CAN. Need to confirm who will present.
	<p>On logistics:</p> <ul style="list-style-type: none"> • Passport #'s are needed for workshop attendees (including EG members attending) for Thursday field trip on agenda. • Materials logistics; explore place to put PPT for sharing with attendees (also see what material can be printed to hand out). • Over 50 folks registered. Registration closes on Friday, July 30. • August 10- deadline to book hotel for folks staying at Hotel Crowne Plaza- Corobici (that is deadline for group rate). • Hotels: need to firm up details of transport from airport to hotel and then to airport (this is done individually by attendees as they book their own rooms; give hotel their itinerary and work with hotel). • Hotels: firm up details of transport from hotel to IICA and back to hotel. This is included in lodging cost per attendee. NAPPO/ IICA would need to confirm shuttles with hotel. • Several representatives from OIRSA registered. Rebecca to double check who is actually coming to help confirm total workshop attendee number.
	<p>Funding for regional participants:</p> <ul style="list-style-type: none"> • APHIS International Services will be providing funding for 6 representatives to attend workshop including: Caribbean countries, Ecuador, among others. In process.
