Summary		
Project:	Khapra Beetle	
General comments:	<ul style="list-style-type: none"> It was good to have a large group in this call. Pati Abad introduced the two new EG members – Stephen Bullington and Rich Johnson 	
Item 1:	<ul style="list-style-type: none"> One of the assignments from last call was to include information on the Khapra beetle regulations from each country 	
Consensus:	<ul style="list-style-type: none"> Mexico has already included the information in Google Drive The US already included information on regulations in Google Drive, as well as information on how the US would respond to an infestation of Khapra beetle Canada added information on PRAs, but will look after adding information on regulations to the Google Drive 	
Item 2:	<ul style="list-style-type: none"> Hector encouraged the group to work on a timely basis as there should be more progress with the document before the annual meeting 	
Consensus:	<ul style="list-style-type: none"> Everyone agreed on adding information to populate and complete the document 	
Item 3:	<ul style="list-style-type: none"> Hector inquired about the suggestion made by the US to the template 	
Consensus:	<ul style="list-style-type: none"> The suggestions clarified where each country should contribute with material Everyone agreed that the suggestions should be approved 	

Other subjects	<ul style="list-style-type: none"> • Presentation for annual meeting 	
Consensus:	<ul style="list-style-type: none"> • The Secretariat will send the template to all EG
