Item 1/ Asunto 1:	Because EG chair was not present in the call NAPPO ED took over; asked if all were in agreement to continue the call – all were; informed that the US and Mexico are in agreement with developing a specification for a Regional Standard on DFIU; Canada requested a period of time to consult with industry and indicated that they would have a decision by Nov. 25. US identified 2 new EG members in anticipation of next steps on DFIU.
