Summary		
Assignment 1:	Develop RSPM 40, Pest Risk Management, based on the approved specifications	
Consensus:	<ul style="list-style-type: none"> – Title of document amended to “PRM for the entry of commodities” to be discussed later if needed. – Information drafts for assigned sections submitted/translated: <ul style="list-style-type: none"> ○ Christina = 2.3 & 2.4 Evaluating & Selecting Measures ○ Ed = 2.2 Identifying Measures ○ Nitin = 2.1 Sources of Information – Alejandra still working on 2.5 & 2.6 Documentation & Monitoring/Feedback. Will have done by this Friday (May 17). – Still aim for having a draft standard this year. – Each submitter quickly provided a short summary of their section: <ul style="list-style-type: none"> ○ 2.1 Nitin – 4 main sources of information within the context of “import of commodities”; made some additions (see doc) ○ 2.2 Ed –Need to reduce info a bit (redundancy with 2.3/2.4). In order of less restrictive to more restrictive measures. ○ 2.3/2.4 Christina – still want to modify some sections, incl. Economics. ○ Nitin to work on collapsing document into one (with previous intro) to make it easier to consider flow and consistency – will do so once he receives information from Mexico. ○ All to submit comments to any of these docs within 2 weeks – by May 24 (please use track changes). – Nitin will then compile into one doc, send for translation to Nedelka – Next call to review full document; June 12 @ 1:30 – 2 hour call; will also discuss then whether face-to-face meeting is needed to finalise the document and timeline. – Ian to explore digital collaborative option for next call– Webex, etc?
